# INVITATION

**W**elcome to International Food Industry Exhibition, Seoul 2011 (IFIES 2011).

International Food Industry Exhibition, Seoul organized Kotra (Korea Trade - Investment Promotion Agency) has been the biggest domestic Food Industry exhibition (Not only Food but also Food Machinery) since 1983 and now, it's developed global exhibition levels, as time goes by.

In terms of above, we've done various business activities that invited buyers & exhibitors through Kotra's World-KBC (Korea Business Center) and all world Exhibitions (Professional exhibition organizer).

We will expect to IFIES 2011, over 1,100 exhibitors / 2,200 booths / 40 countries and we guaranteed, if you are join us, it's good opportunity business in Korea market and also Asia. Kotra will be trying to effort, exhibitors and buyers succeed business activity in Korea.
